**PDYM Mission** —To develop Danbury youth into Christ-centered young men and women who "trust in God and do good" and seek excellence in all they do.

### **Benefiting the Educational and Mentoring Needs of PDYM Youth.**

The Academy scholarships almost 100% of every student that is enrolled. This involves paying for the students' books, uniforms, meals as well as the curriculum and technology that is needed to support this curriculum. In addition to The Academy which is a formal education setting we also provide after school support which also provides supplies and technology for the students to get their homework done and prepare for tests.

The mentoring ministries need support to help with their recruitment efforts and the various programs that are designed to provide ongoing training for our mentors .

S.A.Y. Yes needs support to continue to provide quality after school academic tutoring and homework help to any student.

**Pathway Danbury Youth Ministries, Inc. (PDYM)** is a Connecticut based 501(c)(3) nonprofit organization that provides youth in Danbury Connecticut with the opportunity to dramatically improve life outcomes through a great education, mentoring and a strong Christian foundation. PDYM enhances educational opportunities for boys through The Academy (our private Christian middle school). PDYM also offers formal mentoring programs boys (ages 11 to 17) through Pathways Danbury (one of the state's largest and longest running mentoring programs) and for girls (ages 11 to 17) through our Naomi Mentoring Project. The youth in all three aforementioned programs are provided year-round tutoring and academic support at our S.A.Y. YES! after school center
