

# By the Numbers Fiscal Year 2022-23

Our Gift Partners and Volunteers helped us do amazing things!

## 344

**TOTAL UNIQUE STUDENTS SERVED** in our core programs alone. This is the second year in a row we've achieved record enrollment in our tutoring, mentoring, and summer learning programs (with waiting lists for Summer Learning and Tutoring).

## 170

**STUDENTS BATTLED "SUMMER SLIDE"** and COVID learning loss. Our K-12 students kept sharp with reading, math, bible study, and more at our Summer Learning Program. Not only that, but they had summer field trip fun, too!

## 47

**YOUTH MENTORED.** These boys and girls are engaged in long-term 1:1 or small group mentoring relationships with a Jericho mentor, who helps them navigate life, build their faith and reach their full potential to live a life of excellence.

## 150

**YOUTH TUTORED & FED DAILY.** Students who attend our after-school tutoring program came hungry each day. So that they had fuel for another two hours of learning, we provided a meal and/or snack to our K-12th grade students. For some, it was the best meal of the evening.

## 600

**WEEKENDER BAGS DISTRIBUTED MONTHLY.** This growing program provides six small meals for students who don't have enough to eat on weekends, when school isn't providing free breakfast and lunch. We distributed Weekender Bags through six Danbury public schools.

## 400+

**FAMILIES FED MONTHLY.** More than 400 families are members of our Food Pantry, coming biweekly (some, weekly) to receive meat, dairy, fresh produce, bakery and non-perishable staples. With each family numbering 3-6, we provided food for about 2,000 individuals every month.

## 1200

**ACTIVE PATIENTS.** Our Samaritan Health Center provides low-cost physicals, immunizations, and sick care to those in Danbury without healthcare plans. It has 1,200 pediatric patient files, and logged 872 appointments this past fiscal year.

## 550+

**HOLIDAY BLESSINGS.** Having a turkey dinner on Thanksgiving & Christmas gifts under the tree may be a given for most, but not all. Last holiday season, Jericho & donors provided 150 turkey dinners and 400+ gifts for the families we serve.

Numbers tell one story, but the greatest measure of our success is when someone we serve realizes they are valuable and worthy of our support, love, and compassion."
